Dear parent

Please accept my New Year greetings on behalf of Bhaktivedanta International School (BGIS). Applications are invited from prospective students for admission into **standards I-IX** and **standard XI** for the academic year 2010-2011. An admission test (written) will be held in which your son will be tested according to his current grade level in English, Mathematics, and Science. The boys qualifying the written test will be called for an interview on the same day in which their habits, social interactions and aptitude will be assessed.

A presentation will be made about the school at the test venue to help you in making an important decision for your child's future career and life. This is to inform you that seven IIT graduates have joined this international school as academic and administrative staff. The director of the school is also an IIT graduate. Teachers and students from over 13 countries of the world bring in a unique international ambience in BGIS which has no parallel in this country.

The admission test fee is Rs.500 (US\$ 30.00/Euro 25.00 for students outside India). **Test Centers for the admission are located in Vrindavan, New Delhi and Kanpur.** The exact venue and the date for admission test will be communicated after we receive your request for the application form for the admission test.

Please send the DD/Cheque for the admission test in favour of 'Bhaktivedanta Gurukula and International School', payable at State Bank of India, Vrindavan (code: 2502). You can also pay through cash at our publicity stalls. *You can also register online (www.bgis.org) and transfer the amount via internet banking to 'Bhaktivedanta Gurukula and International School' in favour of the account number - 10684301903, SBI Vrindavan (code: 2502).*

On receiving your application form, we will send you the admission kit which will include BGIS prospectus, admission form and other relevant information. Last date for receiving the application for the enrollment in admission test is **13th February, 2010.**

Looking forward to hearing from you.

Sincerely,
BGIS Secretary

Application for enrollment in admission test
