Dear parent,

Thank you for your interest in Bhaktivedanta Gurukula and International School (BGIS).

BGIS is a very successful school which offers quality education at an affordable price. We pride ourselves on the care we offer to students as well as our emphasis on creating a holistic learning environment which nurtures the academic, emotional, and spiritual needs of the students. From last two years a new team of IIT graduates have joined. Along with that we have teachers and students from many countries of the world. This brings a unique international ambience to BGIS which has no parallel in India.

To apply for admission into **standards I-IX** and **standard XI** for the academic year 2012-2013, please register for the admission test by filling the form below or register online (www.bgis.org).

The candidate has to appear in an admission test in which he will be tested according to his current grade level in English, Maths and Science. This will be followed by an interview in which your son's habits, social interactions and aptitude will be assessed.
